Good Evening Andy,

Managed to visit site today and got all sizes.

Agreed with Andy an installation date of 29th July.

There are 8no windows I measured which is different from bills page so cost will be £987.50 + vat.

We can fit the existing blinds for you, we will need to replace all the existing brackets, we will not accept any liability for damaged rails or louvres as blinds have not been stored properly, cost of this will be £122.50 + vat.
The existing blinds do not comply with current Government Guidelines regarding child safety, we can fit child safety devices, but the cords remain 200mm longer than allowed by law, do you wish for us to carry this out, cost £24.50 + vat.

We can not by law install these blinds without child safety devices.

If you can get back to me asap so I can get the blinds ordered to meet the fitting date.

Regards

Steven Nimmo
