Subject: Gordon School, Huntly - Blinds

Good Afternoon Sandy,

Ref: CDT Room, Gordon School, Huntly – Blinds

Further to our recent visit, please find below our quotation to supply and install the following,

2no 127mm Vertical Blinds complete with sealed in weights, chords & chains fixed back to timber facings,
Fabric – Ex-lite
Colour - TBC
Cost: £625.00 + vat

OR

5no Chain Operated Roller Blinds complete with round aluminium bottom bar, chains fixed back to curtain walling,
Fabric – Ex-lite
Colour - TBC
Cost: £863.00 + vat

Due to the area in which the blinds are to be installed I have recommended a PVC fabric which is easily wiped clean and very robust.

Find attached pdf of fabric and systems I propose.

Due to the size of the window, I would normally suggest Vertical Blinds, however looking at the area and the purpose of the room I can see that going forward the blinds will get damaged very easily by the pupils in the school.

We can offer Roller Blinds which are easily pulled up out the way and not as easily damaged as Vertical Blinds. Due to the current legislation regarding chains, I would require in writing that we are allowed to drill & screw the chains to the curtain walling at a height of 1500mm from the floor on 3 of the blinds.

If you have any further questions, please contact myself where I am happy to assist.

Kind Regards,

Steven Nimmo
