Hi Alysha

Thanks for that and can we proceed. Its two velux windows.

I am the landlord and the property is currently empty so we will need to arrange for me to be there to let your guys in.

Can we therefore arrange time to be there on the day so that I can open the door?

Regards.
Norman

Hi Alysha

Lets go for 4576. I am not sure if it is roller blinds but pretty certain they are. I have forwarded a photo which might help.

Regards.

I look forward to your reply.

Dear Sir/ Madam

I need to replace the blinds in two Velux windows. The codes are the same for both windows and is GGL-5.

Can you give me a quote or do you need anything further from me?
