Good afternoon,

The colour you have downstairs is Memphis Charcoal, I have attached a photo of the closest colour I have which would be black, or alternatively a lighter grey in colour these are the only 2 I can see from my swatch that would be a match. The other colours I do not have a swatch of, we are waiting for the supplier to receive their new updated books to send out to us, I wouldn't like to say the other ones may be a match as I don't know how dark or light they would be, I would only be able to go by a photo in our book we have.

PK10 - Solar Powered x 2
Trend Colours - £243.40 - per blind

MK04 - Blackout Roller Blinds
Trend Colours - £125.80

The above costs are for both the black and light grey option quoted. I look forward to your reply.

Kind Regards
Alysha
