Hi,

Thanks very much for getting back to me. I forgot to ask if this would include fitting? If not, would you be able to estimate for this?

Many thanks

Ross

Dear Aberdeen Blinds,

Would it be possible to obtain an estimate from yourselves in relation to fitting of a Silent Gliss curtain pole to a bay window? We live in Ellon. We have browsed the catalogue and we're looking at either the metropole or neopole in black with smart fix fittings and ball ends, size 30mm. Please see attached photo of window with sizes.

Looking forward to hearing from you, please let me know if you need any further information.

Regards

Ross Smith
