Afternoon,

I just placed an order over the phone this morning but just want to double check as its been a while since we had the measure up, can you please confirm that for the windows downstairs the blinds are for each individual pane of the window (i.e. 3 x per window in each room, and 2 x rooms) as opposed to 1 x long blind per window/room?

Hope that makes sense, if not I can phone to discuss?

Thanks

Sally
