if wants All to be white need new Blinds

Hello ladies and David,

10<sup>th</sup> November 2020, is the key info in the mail below – if you scroll down – it’s what we discussed last week when I came by the shop.

Can you please check the specification of the kitchen roller you installed last year – was it black out or non-black out? Whichever that was, I will likely just do same for this other window – this Velux...

MEMPHIS B/O WHITE

I know the 4 bedrooms you have done (roller x 1 and Velux x 3) were all black out.

I have attached an email with a picture of the window I am looking for David to please install the Velux blind.

Are they the right sequence of numbers and code you are looking for? I had a good look at the window in the light yesterday and it’s the only numbers I could find? Please confirm.

Also as a final point, can you do a deal on the option to change out the 3 bedroom Velux trims from metal to white – I mentioned this last year, before white came available? If I proceed with the order – the metal ones are still in brand new condition from when you fitted them – you take them away as spares FOC. \*see note

If you confirm on the above – I will j... v, or in the morning.

DAVID TO call tomorrow 8/12/21

Original Order 40222

You ordered + fitted 3 x GGL - 1025  
OKL BLOUT

You can replace wL but only @ sides @  
(Cost of £12 - a vat TO ABC not cust / double @  
least cust.)  
The facia plate would be silver.

So to replace all with complete new  
cust looking for deal best price we  
can do is what an agent gets it for

GGL 1 = 154 = 154 . each . x 3 = £ 462

+  
Cost new UK08 AS per picture

£ 134.40 (exc £25 - )

Hope this helps 😊

(A) total to replace linings <sup>say</sup>  $\frac{30 \text{ each} \times 3 = 90}{+ \text{ UK08}} = 135$   
 OR TO replace 3 new = 462  
 $\frac{135}{+ \text{ UK08}} = 135$  } £597 OR £225 \*
