Hi Nikki,

I've attached a photo for you to see where the slat colours double up,

I don't know why we were given doubles of the same colour and fabric for a showroom display blind when we're trying to maximise what we show our customers to help promote sales

There are 8 slats identical in fabric and colour of the same colour and 1 slat (the Ocean Blue) marked = total of 9 slats needs replacing.

1x Polaris BO Ocean Blue (came in marked, that never looks good)
1x Polaris BO Taupe
1x Polaris BO Oatmeal
1x Polaris BO Teal
1x Polaris BO Raspberry
1x Polaris BO Black
1x Stella FR Ivory
1x Reflection FR Ecru
1x Urban FR Dark Grey

width
82 x 400 s/s
1 each
slat
Further instruction

Does this help?

A separate query - is the roller blind fabric Origin Blackout available in a vertical?

Regards
Moreen
