Good morning

Thank you for sending this through – I am struggling to see which doors are which and what rooms have what windows, the plan won't seem to load it's just blurry on my screen, I have priced up the below based on the sizes (from what I can make out) from the list below, we would need to get one of our boys out to measure just to get the correct measurements, they usually do let us gain access to measure, we would arrange this via yourself or directly with the housing office.

- 1 x 610 x 1981
- Perfect Fit Roller - £190
- Perfect Fit Pleated - £227
