Good Morning

Thank you for your email, yeah of course the total costing would be - £176.20, colour 0705 is a grey in colour. The delivery time is roughly 2-3 weeks at the moment, as soon as we have it in we would give you a call to arrange to come and fit this.

If you would like to go ahead, we would require a 50% deposit and that would leave a 50% balance when the fitter come to fit this for you. If you would like to go ahead if you could just give us a call on 01224 637609 to pay the 50% deposit we would then get this ordered for you 😊

Kind Regards

Alysha

I spoke with someone at your shop today and was advised to forward a photo of the blind I require for a velux window at the above address. The code on the window is GGL 008 and it's a blackout blind that's required in grey.

Please let me have a quote for this and an idea of when you could fit it.

Thanks
