Alysha,

David has just finished his visit here and quoted me. He was very helpful in explaining the options.

My preference is the Rimini double-white, with the centre of the three windows to have the motorised option.

The all-in quoted price for was £1,331 using your docket # 43311.

This makes it £130 dearer than the other quote I received for similar, but there is an element of trust in David and Aberdeen Blind that makes me gravitate toward your option. Is it possible to revisit the quote to reduce the difference allow me to go ahead?

regards

Good morning Paul,

Thank you for getting back to me regarding the blinds order.

I would be glad to revisit the quote, to reduce it accordingly.

The co. procedure for this is to request from you a copy of the alternative quote, to establish if the quote is 'like for like' eg; similar motor / fabric etc.

Could you pls email back ta copy of quote and we will proceed with order soonest.

Many thanks & regards,

David.

David – that's great thanks. I will go with the Ferrara Alabaster, purely because my wife was with me when we saw that one – and I have the extra security of her thinking they were appropriate !

I will call the shop to settle the deposit tomorrow (Wed) morning and hopefully we can arrange an installation date at your soonest convenience.

Hi Paul,
Thanks for getting that to me.

I will be happy to match the competitor's quote for you.

Please clarify which fabric you would prefer; Rimini Dove White (B/out) or Ferrara Alabaster?

This is for 2 x Manual & single Motorised Vision Blinds, as discussed: £1204.00.

If you wish to proceed, pls call the shop, who will request a 50% deposit prior to me ordering the blinds.
