Dear Aberdeen Blind Company

I have previously spoken with you regarding getting a quote for blinds for our new flat at the Westburn Gardens development.

We would like to get quotes for roman style blinds, and we would like black out lining to them all. There are 3 windows to be dressed.

The flat is 35 May Baird Wynd, Aberdeen, AB25 3RR.

We only get the keys for the flat on 12th May. However the sales team are willing to give you access to the flat for purposes of measuring. They are available on site from Thursday to Monday, weekly.

Contact details are:

I have copied them to this email for your convenience.

Once we get quotes, we can choose the material. We actually live in Shetland, but my husband will be in Aberdeen from 12th May for a week, to furnish the flat, so if it is possible, we would appreciate if blinds could be fitted at that time, if timing permits to get them ordered and made in time.

Looking forward to working with you.

Kind regards

Hello

Just wondering if your team managed to get along to measure up for the blinds on Monday? If so, I guess we will hear from you in due course for the quotes.

We are hoping to get the blinds fitted between 13th-18th May if possible, as that is when we will be in Aberdeen at the flat. Is that going to be a realistic timescale at all?

Kind regards
Mandy
