Apologies, further to my email below - they don't need a roller blind as they were actually speaking about the same window !

Could I arrange a quote for the following -

Replace blinds in locker room (just the slats if possible)  
 Roller Blind for changing room window

The site is the Physio Gym, Urquhart Building, City Hospital, Urquhart Road, Aberdeen AB24 5AU. If you give me a day/time I will arrange for someone to be around.
