Hi Carol,

Re. Plot #79, Lochside of leys, Banchory.

Please see attached, Rooms on LH column and prices at far RH.

Following my visit to your new property, I measured the windows for Blinds as follows;
Kitchen, within Recess; Roman Blind with Std Lining (not B/out). Band 'B'.

Patio Doors, Perfect Fit Pleats. Band 'B'.

Lounge, single (or double) Wood Venetian 50mm (no tapes).

All other windows, Roller Blinds fitted within the recess, Reverse roll suggested to clear handles. Band 'A' in WC/Baths, with Blackout Band 'B' in Bedrooms.

I have guessed at the side for the controls (chains / cords) that should be confirmed.

The cost for above estimate £1706.00

This cost could change if other fabrics picked are of different price band. The shop is open week days and most blinds take 2 - 3 weeks to manufacture, with a 50% deposit required on ordering.

Hopefully this is of assistance, let me know if you need further.

Best regards,
David.
