Good afternoon,

Thank you for the opportunity to quote for your Bay Window shutters I have discussed this with the Shutter Specialist

The 'solid' wood shutters (colour TBC) have an 8% uplift from the 'louvre' style wooden shutters.

Plus, upright 'spacers' would be required for support of the centre shutter.

The estimated price is £2300.00.

Should you wish to proceed, please contact the shop to arrange a re-visit. A deposit of 50% is required, however if this can be refunded should anything unforeseen arise from the remeasure.

Best regards,

David.
