Afternoon Steven,

Please find attached a Purchase Order for the Supply and fitting of Blinds for this Window Replacement Term Contract

We have been successful in being awarded this contract and have already carried out a sample contract for the City Council at 56 Smithfield Drive, Aberdeen.

Please accept this email as authorisation to proceed to measure and replace the blinds at this property.

If you could contact Mike or Ian for contact number for the Tenant to arrange access.

If you could make replacing these a priority, it would be much appreciated.

Obviously if prices have increased since you first submitted costs, then let me know asap.

We are set to commence the installation of approximately 225 further properties this coming Monday, and it will be most likely that there will be a few more addresses for you to replace blinds in !

We will be given at least the same amount of properties next year with the possibility of a further 2 year extension after that.

Either Mike Barclay, Ian Bird or myself will advise you of additional properties in due course, once decision to replace has been taken by the Council

Should you require any further information, please do not hesitate to contact me.

Please confirm receipt of this email and attachment.
