Hi Steven

I hope you are well; it's been a while since we last spoke in my previous role as OT with the council in Elgin.

Colin Watson at Moray College has passed on your details to arrange for a quote to replace the blinds in room 210 of the AGBC which we have recently taken on. We are setting up a digital innovation demonstration environment in the room and need a suitable window surface to project on to. We are hoping to have our launch event in February, and I would therefore be grateful if we could meet on site as soon as possible to look at what is required to get a cost and timescale for doing the work. This will be funded by the University of Strathclyde as part of the Moray Growth Deal Programme not Moray College.

If it's easier to call, my personal number is 07828 13821595

Many thanks

Marie
