Alysha,

Thanks for the quick quote.

The 900mm is the length of the blind, so the exact length I need.

If you can just select a fabric that's similar that will be fine.

Are all your blinds made to measure, don't you stock certain lengths as maybe you have something in stock that's close to this length, if not how soon can you have them ready?

Need them asap.

Thanks

Hiv a guid day

Gary
