Subject: Sample blinds for addition to our Roller Blind Display

Hi Nikki,

We'd like to update our existing roller blind display with the following two roller blinds:

1st Blind (being fitted to a wall) so sizes are material sizes

Zahara Red with fabric covered bottom bar but finished with Chrome Endcaps as on your own display.

Width 420

Drop 800

Chrome control chain on right side and can you make it 400 long

2nd Blind (being fitted to a wall) so sizes are material sizes

Devon Steel, without fabric covered bottom bar but finished with the Silver circular bar

Width 420

Drop 800

Chrome control chain on right side and can you make it 400 long

Less 50% for the sample/display rollers.

We'll email you with the details for our Vision Blind display separately.

Many thanks
