Alysha

Thanks for getting back, happy for you to proceed with the roof blinds at that price.

I discussed with my wife the Perfect Fit Venetian Blinds and we dont want that, we were looking to get perfect fit roller blinds if not this year then in the future if you have a price for that i would appreciate it

Grateful for a rough timeframe of when you can do the work and if you need to make more precise measurements let me know when and i will make sure i am available to be in.

Tues 9/5.

Morning,

The best quotation we could offer on the roof would be £4600.00.

The alternative for the sides would be going with Perfect Fit Venetian Blinds which would give you more control of light and privacy as the blades will tilt, the cost for this would be £2900.00.

Kind Regards
