Hi Steven

You may remember you did some work for us last summer getting our blinds in the clinical hub and examination room fixed up.

I wonder if you could come in by some day and advise on a blind that we are looking to have fitted between our front reception and a small office. I won't go into the detail of what we need as it's probably easier to explain if you're on site!

Drop me an email (and copy in my colleague Lauren Hogg) – either one of us can meet with you at the practice to see what you might be able to suggest for what we have in mind.

I am retiring from my post at the end of June and Lauren will be taking of the Practice Manager role than so I am involving her in stuff like this from here on in just to get her battle ready!!! 😊

Look forward to hearing from you.

Kind regards
