Subject: SLA RAF Lossiemouth- Curtains

Good Morning,

We are currently working at RAF Lossiemouth constructing 7no single living accommodation blocks with staged handovers throughout the year. We have received a late instruction to supply & fit curtains to all bedrooms & communal rooms and we are now up against it to meet the first handover date next month. With your quotation, can you confirm earliest start date and estimated durations to complete a building installation.

I have attached a couple of photos for your information and as you can see, curtain tracks have already been installed to all windows so you won't need to make allowance for these within your quote.

Curtains Product

Product Type: Pencil Pleat.
