Shutter Quote

Good afternoon,

I am contacting you regarding a quote which you have provided us for our house at 18 Rothesay Street, Chapelton, AB39 8AH. We have received an alternative quote for these works which is working out cheaper for us at present, but as we received your quote first, we would like to offer you the chance to match it if it is at all possible. The offer we have received from elsewhere includes for:

- Timber hardwood.
- Tier-on-Tier shutters
- Pure white finish (Solid colour)
- Louvre width - 63mm
- Silent tilting rod mechanism.

This has been quoted to us at a price of **£552.00**, while your quote to us has come out at **£616.00**. Could you confirm whether there is any improvement that can be made on your offer? You can either email me back or call me on 07875972312 to discuss if you wish.

Kind Regards,

Harry Tremain

Good morning David,

Thank you very much for the prompt response. Please take this email as confirmation that we are happy to accept your offer of £552.00 for the shutters as noted on your document no. 46378 given to my partner Jasmine on 25/8/23. We are also happy with 76mm louvre width as was initially discussed.

Please let me know what else, if anything, is required from my end to help, or any info you may require.

Greatly appreciated,
