Hi Steven

We've a job out at Cults Business Centre that has some window blind 'repairs'.

Can you see about sorting;

1. Unit 1 – service loose controllers to internal window blinds to ensure correct operation
2. Unit 10 – range over and service blinds to return to good condition (bent louvres, discoloured controllers, defective operation and the like)

Our man on the ground is Craig Buchanan (tel 07920 714585) for arrangements for access.
