Subject: Automatic Blinds

Good morning,

We had automatic blinds that were installed by your business several years ago, we are having an issue getting one or two of these to go back up, they do go down, and I was wondering if you could advise if there is a reset on the controllers for these that I can try myself in the first instance (the name on the controller is Somfy? I'm aware that the warranty will no longer be valid on these blinds.

Kind regards
