Morning Nicola,

You need to start feeding the poor wee puppy. Lol

The cost for 920mm wrap round bottom bar will be £18.00.

Kind Regards

Good Evening,

We purchased our blinds from you many moons ago when we moved into a new build. We've had a puppy chew the bottom part of one of the roller blinds in our sun lounge. I can repair it, but he's chewed the plastic part that runs along the bottom of the blind (picture pointing to part) - do you sell these, or can point me in the right direction as to where I can get one?

measurement is 92cms.

Thanks & much apperceived.

Nicola Sutherland
