Morning Steven, thank you for the quote. Jamie and I are happy to go ahead with certain parts of the quote right now as we urgently need the window cover especially when the clocks change. We will wait and consider other blind requirements when we have seen the solar parts and had the physical part here at our house to see how it may look on the window. I can collect when it arrives in your shop if this is suitable?

The part of the order we wish to proceed with right now is;

Anna Bedroom
2no Chain Operated Roman Blinds complete with Blackout Lining.
Fabric: Machu
Colour: Blush
Cost: £860.00

En-suite
1no Fauxwood 50mm Venetian Blind.
Colour: Mission
Cost: £147.00

Bathroom
1no Fauxwood 50mm Venetian Blind.

Hi! Ok no problem

I would suggest this for the 3 rooms but he has suggested a 6 channel for dining room, we need to ask if we can just have the 2 x end ones on the same channel then we would not need a 6 channel remote which is hard to find ?

Somfy Shop UK | Situo 5 RTS Iron II - 5-channel RTS-protocol remote control

We would then need 3 of these.

You will also need to select a fabric for the bedroom side window
