32.1 Contractor shall:

(a) not engage in any activity, practice or conduct which would constitute either:

(b) have and shall maintain in place throughout the term of this Contract such policies and procedures as are both reasonable to prevent the facilitation of tax evasion by another person (including without limitation employees and agency personnel of Contractor) and to ensure compliance with Clause 32.1(a);

(c) promptly notify Company in writing if it becomes aware of any breach of Clause 32.1(a) or has reason to believe that it or any person associated with it has received a request or demand from a third party to facilitate the evasion of tax within the meaning of Part 3 of the Criminal Finances Act 2017;

(d) within three (3) months of the date of this Contract, and annually thereafter, certify to Company in writing signed by an officer of Contractor, compliance with this Clause 32 by Contractor and all persons associated with it under Clause 32.2. "Intermediary" means a third party through which the Contingent Worker provides services in an engagement to which the IR35 Legislation applies.

"IR35 Legislation" means the Social Security Contributions (Intermediaries) Regulations 2000 (SI 2000/727) and Chapter 8 and Chapter 10 of Part 2 of the Income Tax (Earnings & Pensions) Act 2003.

"IR35 Legislation Effective Date" means 6 April 2021.

"Status Determination" means, in relation to a Contingent Worker who is engaged by Contractor or any other member of the Contractor Group (as the case may be) through an Intermediary, a conclusion by such Contractor or other member of the Contractor Group that, if the work performed by that Contingent Worker in connection with this Contract were provided under a contract directly between Contractor or any other member of the Contractor Group (as the case may be) and that Contingent Worker, either that the Contingent Worker would be deemed as an employee of Contractor or other member of the Contractor Group (as the case may be) for income tax purposes or that the Contingent Worker would not be deemed an employee of Contractor or other member of the Contractor Group (as the case may be) for income tax purposes.

(a) With effect from and including the IR35 Legislation Effective Date, Contractor shall:

(i) comply with the IR35 Legislation in respect of any Contingent Workers provided by it or any other member of the Contractor Group in the performance and completion of the Services who are engaged by Contractor or any other member of the Contractor Group (as the case may be) through an Intermediary; and

(ii) provide thirty (30) days' prior written notice to Company if Contractor or any other member of the Contractor Group is engaging, or proposes to engage, any Contingent Workers through an Intermediary in the performance and completion of the Services, together with (to the extent permitted by applicable data protection law) reasonable details of the Status Determination made for such Contingent Workers and the reasons why the performance and completion of the Services cannot be satisfied by the Contractor Group's employees or Contingent Workers who are not engaged through an Intermediary.

(b) Contractor shall be responsible for and shall save, indemnify, defend and hold harmless any member of the Company Group from and against any and all:

(i) income taxes, PAYE, levies, employee taxes, social security contributions and national insurance contributions; and

(ii) claims, charges, losses, damages, costs (including legal costs), fines, penalties, deductions, expenses and liabilities,

suffered or incurred by any member of the Company Group, in each case arising as a result of or in connection with any:

(A) breach by Contractor of Clause 33(a); and

(B) proceedings, claims, assessments or demands by any third party or governmental authority (including, without limitation, HM Revenue and Customs and any successor, equivalent or related body) pursuant to any provisions of the IR35 Legislation or based on the worker status of any Contingent Workers engaged by any member of the Contractor Group in the performance and completion of the Services.

(c) Contractor shall not satisfy the indemnity set out in Clause 33(b) (in whole or in part) by way of a claw back or other recovery of any payments made to any Contingent Workers engaged by Contractor or any other member of the Contractor Group in the performance and completion of the Services.

(d) Notwithstanding any other provision of this Contract, this Clause 33 shall not be subject to any limitation or exclusion of liability.

(e) In addition to any other audit rights in this Contract, during the course of the Services and for a period ending six (6) years thereafter, Company or its duly authorised representative shall have the right to:

(i) audit at all reasonable times and, upon request, take copies of all of Contractor's records (howsoever stored) relating to the performance of Contractor's obligations in this Clause 33; and

(ii) meet with Contractor's personnel (including any Contingent Workers),

for the purposes of determining Contractor's compliance with this Clause 33. Contractor shall co-operate fully with Company and/or its duly authorised representatives in the carrying out of any such audit required by Company.

(f) During the course of the Services and following its expiry or termination, Contractor shall promptly notify Company in writing if Contractor becomes aware that, or reasonably suspects that, any breach of Contractor's obligations in this Clause 33 has occurred.

(g) If Company receives a notice pursuant to Clause 33(f) or otherwise reasonably suspects that Contractor has breached any of Contractor's obligations in this Clause 33, Company may either (in its sole discretion):

(i) withhold any monies due to Contractor under this Contract; or

(ii) instruct Contractor to remove any Contingent Worker(s) who are performing and completing the Services and who are engaged by Contractor or any other member of the Contractor Group (as the case may be) through an Intermediary and, if requested by Company, replace such Contingent Worker(s) with such other personnel who are not Contingent Workers engaged through an Intermediary; or

(iii) both (i) and (ii).
