Hi Alysha,

Thank you. The landlord would like to proceed with the blackout blind in both bedrooms. She is happy with whichever cost fits the necessary size for the smaller bedroom. so either £58.80 + VAT or £67.20 + VAT.

Can we also proceed with the master bedroom 1no blackout blind as below:

Master Bedroom

1no Chain Operated Roller Blind complete with child safety breakaway system on chain.

Fabric: Bella (blackout)

Colour: TBC

Cost: £96.60 + vat

Could the colour please be matched to the colour of the carpets, or as close as possible? These are a navy blue type colour as per attached photo.

Kind regards,

Hannah
