Hi Alysha,

I can confirm the below cost and for you to go ahead with this.

Please could you advise on the one in the meeting room, and what's required for this one.

Kind regards

Hi Donna

Steven was on site yesterday AM – he has advised the blind that has fallen was not one of the ones we replaced so there would be a charge for the components and to re fit it for you.

The cost to do this would be £186 + VAT

Kind Regards

Good morning,

We have an issue with one of our automatic blinds in our meeting room 2 area, it's not rolling up/down in a line it's wrinkling and going squint in both directions. Please could you arrange for someone to look at this for us and advise what is required.

Kind regards
