Many thanks for the attachments and quote below.

We would need a "casement" style blind ie total blackout - would you be able to revise your quote for that? We'd likely go for marine blue re colour choice

Thanks

Rosie

Hi there

Would it be possible for you to come and measure 3 windows in Fleming for PVC vertical blinds please? We would be looking for no chains at all, we would rather have the style with a handle to the side where we can push the blinds open.

If you can arrange for a visit to us next time you have a rep in the Aberlour area, I will make sure I am available

Kind regards

Rosie
