Good afternoon

I wonder if you could quote a price and indicate a date for replacement and fitting of a Velux Solar blind (remote control) .

The current blind has started to crumple when the blind is opened and it looks as if the cords pulling the blind up are faulty.

The blind is a Velux Solar Blind DSL GGL 606 COLOUR 1025 (WHITE)

If you need to contact me by phone, my mobile number is 07762501418

Many thanks

noon

Thank you for your email, of course that's no problem 😊. The total cost for this would be £254.20, if you would like to go ahead we would require a 50% deposit and you would pay the 50% balance when the fitter comes to fit it for you.

If you would like to go ahead you could pop into the shop or give us a call on the below number where we will be more than happy to help 😊

Kind Regards

Alysha

Subject: replacement Velux blind

I spoke to Elisa a short time ago who advised me to e mail.

I wish to order a replacement blind and arrange for it to be fitted.

The current blind has just started to crumple when opened and it looks as if the cords pulling the blind up don't work properly anymore .

The blind is a Velux Solar Blind DSL GGL 606 COLOUR 1025 (which is white)

Please can you indicate the cost of this.

Thank you for your assistance.

Stephen
