Subject: RE: COSTS - Aberdeen Blind Company - Warren - 51252 - Showroom Visit

Hi Lesley,

Can you advise the customer the cost for normal vertical would be £336 or electric £1960

The electrics are really expensive for verticals compared to other blinds.

The roller blind would be £200 (not electric)

Thank you,

Graeme McNeil

Hi Lesley,

For motorised verticals we need to get a price of rainbow. Can you send an email to Jennifer with the sizes for the vertical and the customers fabric choice and ask her for a price for an electric vertical. Once she sends you the price let me know and I will work out the cost to the customer.

Kind regards,

Graeme McNeil

Afternoon Graeme,

The above customer has just been to the showroom to clarify blind type & colours – Ive written on the attached order form.

She has requested that she would like a price for motorised verticals & normal verticals for the living room.

Also said she'd check the controls on the blinds she has & will clarify with you when you call.

If you need anything further from me just shout.
