Hi Graeme,

As discussed just now please see the below link to the type of curtains NHS are providing to the Health Suite:

[Behrens Hospital Blue FR Disposable Curtain - Eyelets - FD-E / HBL](#)

We are looking to get a straight ceiling height curtain track that's suitable for these. The width of the room is 2.4m, please see the floor plan sketch below.

Could you please ask Aberdeen Blinds if they can source something suitable. I have a link to the one that was fitted in the city however we just require a straight track - <https://www.yewdale.co.uk/prod/100-curtain-divider-track>

Thanks

Kathryn
