That's great Gary thanks

I think the Silent Gliss 6100 in white would be ok.

Hi Ryan,
All good here thanks and hope you are well also.

We can price from the drawing and then take working sizes if this becomes an order.

Would you prefer the standard Silent Gliss 6100 Track in anodised Silver or white or the Silent Gliss 6650 Safety system in silver or white, please advise?
See attached data sheets.

Best regards
Gary
