Notes:

- All prices are subject to VAT and remain fixed for 30 days from the date of quotation.
- All prices are subject to a full site survey, final agreed specification and assume good access for measure and fixing grounds suitable for the installation of the specified products.
- Prices based on estimated sizes taken by you. Any variation could mean a price change.
- Installation will be during normal working hours to clear areas, e.g. benches, desks, computers etc. and in one phase.
- The price is based on fitting at 'standard' window heights and does not include for scaffolding. Therefore extra costs will be incurred if high level fitting is required, 2 fitters required for Health and Safety and/or scaffolding is required.
- If possible please quote our reference on all future correspondence.
- From receipt of order there will be a 4 week program for completion.
- No retention is to be held back.

Importance: High

Conor,

The max size for 50mm metal venetian blinds is 2900 mm wide, is it ok to split into 4nr 1900 x 2000mm?

Alternatively, they could have Roller or Vertical blinds 3800mm wide without the need to split, please let me know what you think.

They could have

Best regards  
Gary
