

## Elan DuoTone & FullTone

The elegant and smooth appearance of the Elan fabrics with its subtle woven style is now even more attractive with the addition of our new on-trend pastel colours.

This extensive fabric range is the centre point for every collection and offers a woven look for an affordable price.

Many Elan fabrics are also available in matching colours in Translucent and Room Darkening.

The range is available in 25, 32 and 64mm to match with different window sizes.
