LED Line in the cassette,

colour combinations

The best spot under the sun – even in the evening.

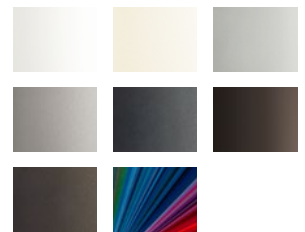

The atmospheric, dimmable LED Line in the cassette skillfully puts your favourite spot in the limelight.

Clean lines. All round.

If you like shapely curves in combination with a straightforward design, you will love the markilux MX-3.

Awning colours

Awning cover fabrics

markilux front panel colours

The colour combination of a designer awning – consisting of frame colour, awning cover and front panel colour – has a major influence on the visual appearance and impact of the selected awnings. This trio of colours is in harmony with the clean lines and functional design of these designer awnings. From classically chic to fashionably elegant, there are many ways you can customise the awning of your dreams.

markilux designer awnings. Made in Germany.
