

Elan Room Darkening

The elegant and smooth appearance of the Elan fabrics with its subtle woven style is now even more attractive with the addition of our new on-trend pastel colours.

This fabric is the centre point for every collection and offers a woven look for an affordable price.

Most of the Elan colours are available in matching Translucent and Room Darkening fabrics

The range is available in 25, 32 and 64mm to match with different window sizes.
