WHITE POLYURETHANE ROOF WINDOWS

Please note that due to strains on our access to raw materials, we are having issues with the supply of specific goods, in particular our VELUX white polyurethane roof windows.

These disruptions are connected to the ongoing pandemic and are to a large extent beyond our control. As a result, lead times for white polyurethane roof windows has been extended to **20** days. This is a developing situation and unfortunately, we cannot guarantee that in all cases this extended lead time will be met.

We encourage you to consider alternative products, such as our white painted finish, which are fully in stock.

Thank you for your continued support and understanding.
