We are currently experiencing exceptional demand for VELUX products. Whilst we are of course working extremely hard to maximise VELUX production, the global availability of raw materials is strained due to a number of factors that the entire industry is experiencing.

Product Lead Times

It is difficult to give the level of accuracy and precision that we would normally. Please rest assured we are working hard to get your order to you on the date specified on this confirmation.

Our usual cut-off time for processing orders remains unchanged at 16:00 for the UK and 11:00 for ROI/NI.

Order not arrived on expected delivery date?

In the event that your goods do not turn up on the expected delivery date, we would appreciate it if you would wait a full **48 hours before** calling us to enquire about your order.

Thank you for your support and patience.
