Issue June 2016

Risk rating: Low – No additional control measures are necessary.

5. Manual Handling All employees are trained in correct lifting techniques (kinetic lifting).
There will always be an adequate number of employees to safely lift
the blinds.

Risk rating: Low – No additional control measures are necessary.

6. Lighting Work will only be carried out in adequate lighting conditions.

Risk rating: Low – No additional control measures are necessary.

7. Fall on same level Where blinds and equipment have to be carried through the building,
Housekeeping employees will walk the route first and ensure that there are no
Contact with object obstructions or trip hazards.

Risk rating: Low – No additional control measures are necessary.

8. Personal Protective Equip Every employee is provided with appropriate PPE e.g. hard-hats,
fluorescent jackets, safety footwear, gloves and glasses and face
masks (dust) which will be worn as appropriate. Additional PPE will
be provided as necessary.

Risk rating: Low – No additional control measures are necessary.

9. First Aid & Emergency/Rescue Procedures

All our vehicles are equipped with a first aid kit, our appointed person checks these on a regular basis, some of our travelling operatives have formal first aid training, they shall adopt the main contractors first aid facilities and shall adhere to the main contractors emergency/rescue procedures.

On their first visit to the site, employees will contact a responsible person and be site inducted to familiarise themselves with all site-specific health and safety procedures.

Or our office number is 01388 813 267
