WARD / R.

Hello,

I rang Mrs. Ward, ticket 353764, Scott fitted replacement blind 12/04/23 as she was not happy with the original one that was fitted 22/03/23. A balance of £59.00 was and is still outstanding as she was not happy with the replacement and wanted to see if the creases would fall out. She is still not happy as there are three dents in the blind, she says it's not right and she would like another blind. Balance still not paid, ticket and fault reports attached. I told her I would have to speak to head office and one of us will get back to her.

Kind regards
