Hi Steve

Please find attached our cost for the replacement roller blinds and the fabric card. Should you wish to go ahead the desks would have to be moved from the windows so we can get access with our ladders.

If you need anything else in the meantime just let me know.

Kind Regards
Allison

As far as emergency blinds that need to be asap the ones that I have marked as recess size have blinds missing so they need to be replaced. The only other room where the blinds were really bad in my option was 1.16. I just went around with a caretaker so he didn't no about colours etc. any problems give me a call. There will have to be a bit of work done before I can go to fit as there are desks and computers near 80% of the windows
