# Fault Report

Customer Name: Date: Perry. 13-06-24

Customer Reference: Fitter: 355765.

Service call  
Salesperson: Salesperson called: Yes/No

DAVE  
Blind Type and number:

all.  
Fault Description:

Pleated blind not sitting correctly

Action to correct:

Problem fixed on site: Yes/No  
Further action required:

Removed all tension on blinds then added small amount at a time until they worked. Some problem with H/R not connecting at the top.

Nothing else we can do - will re-look at this if customer calls back.
