Salesperson: Salesperson called:  Yes  No  
DAVE

Blind Type and number:  
Living + Bed.  
Fault Description:

Blinds too big.

Action to correct:

cut down blind.

Problem fixed on site: Yes  No   
Further action required:

Some problem as (355955) measured the cill & not top recess  
so wont fit - both blinds need 20mm off.

- I feel blinds measured to big for where they need to fit and may fall down due to weight. I would be make as below but your decision. If not just take 20mm off each roller.

living L 1620 x 1100 - chain left  
living R 950 x 1100 - chain right

Bed L - 1640 x 1100 - chain L  
Bed R - 950 x 1100 - chain R.
