If he is able to use the key safe that would actually be a big help.

The code is 4689, it is located in the back garden on the fence post so just have to use the side gate. The property is actually void, so if using the key safe he can go any time if there is a time that better suits workload.

We would be looking for blinds on all windows, including the Velux windows on the top floor. Happy to go with recommendations on colours.

Many thanks

Hi,

Sorry I wouldn't be able to get there too late as I'm tied with childcare.

There is a key safe attached to the property, are you able to use them? If not I free on the Monday morning or the following Wednesday the 19th.

Thanks

Good Afternoon Kaye,

I have had a look at the diary and we could do Wednesday afternoon but I imagine it would be late in the day ad he is down in the Darlington area and would attend on his way home if that is ok for you?
