TCR HUB/R

Fault Report

Customer Name: TCR The Hub	Date: 30.05.25
Customer Reference: 359102	Fitter: Scott Johnson
Salesperson: Shaun	Salesperson called: Yes/No
Order Inputting Error	Mismeasure
Production Error	Supplier Error
Fitting Error	
Problem fixed on site: Yes/No	
Blind Type and number: Roller 5 Dance studio 5	
Fault Description: Fabric moving on the roll.	
Action to correct: Remake blind, I think the fabric mustn't be straight on the roll, I've tried using tape to correct this and also adjusting the bracket positions but still moves to much and is not fit for purpose. Large a frame needed for this job.	

Being returned
to Rainbow
17/6
