| Fault Description Wrong components ordered need 4 x 32 roller mech ends with continuous chain @800mm and 2 x 40 roller mech with continuous chains at 800mm. I have got 1 40mm and 2 32mm in the van so if we can send the others and install. Plus 6 child safety clips for rollers. Bay windows that's have been charged to move and not able to be moved there is Not enough space I told customer only way around this would be to get the middle Bay cut down and brought forward but they don't want this. I have sent separate Photos to Liz and Debbie for reference | |
