DESIGN NOTE *please read before agreeing to design*****

□ Some sails may require a colour matched seam. This will be shown as red dashed lines where applicable.

Disclaimer - Please read and sign/confirm in email.

Replacement sails will not match your current sails in terms of the tension or coverage. As these are brand new sails they will be taut and the gaps will match the drawing shown below. Your original sails would have provided a very similar level of coverage when you first bought them, but have significantly relaxed due to their age.

Signature (Can be confirmed via email if printer not available).
